

Health and Safety Policy Statement of Intent

Tinder Corporation Ltd regard Health and Safety at Work as a business priority and require the cooperation of all employees to establish and maintain high standards as well as ensuring that health and safety is not compromised by other business objectives. We believe all injuries and occupational ill-health can be prevented and in pursuit of this belief, our policy is:-

- To provide the resources necessary to create and maintain a safe and healthy working environment and systems of work for all our employees, contractors and visitors.
- To commit to the prevention of injury and ill health and continual improvement in occupational health and safety management and performance.
- To comply with all applicable legal requirements and to any other occupational health and safety requirements to which we subscribe.
- To provide such information, training and supervision as is needed for this purpose.
- To prevent our activities and omissions adversely affecting the health and safety of others.
- To regularly set and review health and safety objectives within the company.
- To ensure every person's responsibility and accountability for safety is clearly defined and understood.
- To work in partnership with the workforce on matters of health and safety and assure them that they have the right to refuse to work if it is unsafe to do so.
- There will be annual formal management reviews of our health and safety policies to ensure health and safety is effectively implemented and monitored, kept up to date and reflects business change.

This policy statement will be made available to all employees and other interested parties and each line manager will ensure that the necessary organisation and arrangements are in place.
